RE: TEA 21 Reauthorization, Members Requests for Highway and Transit Projects – Agenda Item 9

Larkspur:
Joan Lundstrom

Dear Commissioners:

Mill Valley:
Dick Swanson

We have recently received notice that the Committee on Transportation and Infrastructure of the House of Representatives are requesting information regarding Members Requests. TEA 21 Reauthorization was discussed during the last session of Congress, and we jointly submitted a request with Sonoma County Transportation Authority (SCTA) for the Marin Sonoma Narrows for \$60 million for highway improvements and \$8 million for bicycle and pedestrian improvements. Staff is coordinating this resubmittal with SCTA and a similar action will be on their agenda on January 31, 2005.

In the last year, two additional funding sources were obtained by Sonoma for the project, \$1 million in the FY 2004-2005 federal appropriations bill, and \$35 million in Measure M, their ¼ cent sales tax.
